

LESSON 20

Select the appropriate picture worksheet for each student. Review the names of each picture if necessary. Read aloud all 20 directions in the lesson. If listening skills are being emphasized, present each direction only once; otherwise, any direction may be repeated as often as necessary. If the student follows a direction incorrectly, model the correct response and continue with the next direction. Use a 100-square grid below for the 60-second timed test.

1.	Name each picture in the row underneath Row 3.
2.	Name the fifth picture in Row 2 twice.
3.	Name the pictures in the bottom corners twice.
